ADVANCED METER
TRAINING CLASSES
*For those who qualify!
Contact NW Technical
Training for more info*

*The Advanced Meter Training Class
is designed **for individuals who
already have a background in
the electrical field but need to
know metering specifics. Pre-
requisites apply. The curriculum
provides electric metering
information that can be used by
Utility personnel to perform
metering essentials in and out of
the field. A previous background
in the electrical field is required.***
