KAREN STEWART  
CLAY SCULPTURE CATALOGUE  
2022/3/4

---

A photograph of a clay sculpture. It consists of three main parts: a reddish-brown, semi-circular, bowl-like shape on the left; a light-colored, cylindrical base in front of it; and a light-colored, curved, U-shaped piece on the right that appears to be part of the same sculpture. The background is a plain, light-colored surface.
