When the last tree is cut, the last fish is caught, and the last river is polluted;
when to breathe the air is sickening, you will realize, too late,
that wealth is not in bank accounts and that you can't eat money. - by Alanis Obomsawin

SHORT FORM BIOGRAPHY

Karen Stewart is a contemporary abstract artist and curator living and working in Cape Town. Her art explores what heals, nurtures and provides sanctuary from our chaotic world. She has a MPHIL in Fine Arts from the University of Stellenbosch. She has exhibited on numerous art fairs and the Lagos Biennale. She has had solo and group shows in Johannesburg, Lagos, Helsinki and Cape Town and her work is included in prestigious private and corporate collections. Her work has been featured in art and design publications.
