AUTO PAY & Tuition

For the month of August, we did not run autopay due to the amount of movement that happens at the beginning of the season with trials, schedule adjustments, and finding the best-fit class(es) for each dancer. If you have finalized your dancer's schedule and would like us to run the card you have on file for August tuition, please let our front desk know and we would be happy to take care of that for you.

WELCOME EVERYONE!

We are thrilled to be starting our 2nd season as Powerhouse Dance and our 27th season in Anthem. We are beyond excited to start this season!

TRIAL Classes

Once your dancer has completed their trial class, please stop by and talk with our front desk. We can help discuss how the class went, whether it was the right fit, and recommend other class options if needed. Our goal is to make sure every dancer finds the class where they can learn, grow, and feel successful!
