Competition Team

Our competition team attended their first competition of the season and absolutely crushed it! They earned 17 overall placement awards across multiple categories.

On top of that, they were honored with the Spirit Award, which is given to one studio per competition for kindness, outstanding sportsmanship, and genuine support for one another and other teams. We are incredibly proud of these dancers and the way they represent our studio—on and off the stage. They head to their next competition February 7th–8th.

Break Legs Dancers

DANGER of the month

Kira Schulz

Dancer of the Month for February goes to...

Kira Schulz!

At only 7 years old, Kira is taking four classes and shows up each week ready to learn new moves!

She has been working especially hard on her flexibility this year and now proudly has her splits. Kira is always kind to everyone and makes sure all of her teammates feel included. We are so proud of her dedication, growth, and positive attitude in the studio!
