RECITAL COSTUMES!

Paying \$55 per class secures your spot in the routine for recital. During this time teachers pick costumes and a song for each class. Miss Lyndsie will be measuring each dancer to ensure their costume fits great.

During Christmas Break Costumes are ORDERED!! After break you will pay the remainder of the costume balance for each costume and be able to take your costumes home.

DANCER of the month

Hailey Kirkpatrick

Hailey has been absolutely incredible in classes this season! She currently takes 8 classes a week and consistently brings a positive attitude, strong work ethic, and genuine passion for dance. Hailey is always focused, eager to learn, and continually pushes herself to improve. She also began assisting classes. Hailey is a natural leader who works wonderfully with the younger dancers—encouraging them, helping them feel confident, and setting an amazing example of discipline and kindness. Her enthusiasm and dedication make her such a joy to have in the studio.
