Director's NOTE

Ignite Your Passion!

Our slogan is more than a tag line, it is our goal. We are building a Power HOUSE filled with powerful, strong dancers, that are ignited, on fire, and filled with passion for dance.

Consistent attendance & practice mixed with creative choreography and fun will help us reach our goal.

DANGER of the month

Emma Adams

Emma Adams is one of the newest members of our competition team, and she has already impressed us with her hard work and dedication. She takes an incredible 14 classes a week in addition to attending weekend rehearsals with the team. Beyond her own training, Emma gives back by volunteering her time with our Special Needs Diversity classes. Most recently, she helped our diversity dancers shine on stage at the Abilities Expo at WestWorld. Emma has grown tremendously in both her technique and confidence, and we are so proud of her!

Happy October!

Shout out to Miss Tiffany, Founder of DMDA & Mentor to many at Powerhouse.

We know Halloween is Miss Tiffany's favorite holiday & we can't help but think of her and her crazy costumes & fun dances month.

Miss Tiffany wants everyone to know that she misses everyone, she is enjoying her growing leadership role at GCU & hopes you each have a Happy Halloween!
