Thank you for choosing Luxury Living Real Estate to help you sell your home. Our goal is to provide you with an excellent experience in listing and selling your home, while saving you thousands of dollars in commissions.

We know that you will find our team to be very responsive, professional, knowledgeable, and friendly, and it is our hope that you will choose Luxury Living if you decide that you need some help dealing with the phone calls, showings, negotiations and other tasks associated with selling your home, and want a full-service listing service to get your home sold, and of course we would love to help you buy your next home. Either way, it is important that we let you know that we are dedicated to working with you to help you have the best possible experience.

In addition to your home being listed for sale on the Multiple Listing Service (MLS), we are also going to order preliminary title work on your home to ensure that you have a smooth closing and there are no last-minute surprises on the title or deed of your property.

Attached you will find detailed instructions to help us get your home listing on the MLS very simply and quickly.

Please be sure to let us know if you have questions in any way as we get your listing set up. We will have one of our associates contact you very soon to review everything.
