## → EVENT DETAILS

UFIT has partnered with the CIAA in presenting our Stomp N' Shake community with our annual Cheerleading Exhibition...on a virtual stage! The pandemic may have caused us to distance ourselves more than we're used to, but this platform will allow your team to be in the homes and phones of people across the nation. No need to travel! Instead, we are putting your team's routine on a virtual stage during the CIAA Tournament Fan Fest experience, sponsored by Toyota. With the third year in partnership, this is the highlight of Stomp N' Shake's top sixteen teams. UFIT will host this event, open to all cheerleading teams who perform the Stomp N' Shake style in a fun, festive, and safe environment.

Let's have some fun celebrating the historical CIAA's Fan Fest for UFIT's Virtual Stomp N' Shake Cheerleading Exhibition! Not only will cheerleaders have a chance to compete, they will also get the chance to be entered into UFIT's annual SNS scholarship fund that a recipient is awarded each year!

**IT'S MORE THAN CHEERLEADING, IT'S OUR FUTURE.**
