A large pink rectangular box with white text. To the left of the box, there are several small pink circles of varying sizes. At the bottom of the box, there is a cluster of larger, irregular pink shapes resembling confetti or paint splatters. The text is centered and reads:

**In order to
minimize
contact, we will
collect your
credit card at
the time of
booking. You
will not be
charged until
after your
appointment.**

A pink rectangular box with white text. Above the box, there is a thick, wavy pink line that resembles a stylized wave or a decorative flourish. The text is centered and reads:

**If you need to
change or cancel,
we understand!**

**There are NO
change or
cancellation fees!**

**Because we are following
social distancing guidelines,
we are limiting the number of
patients that we see. We are
currently only seeing one
patient at a time**

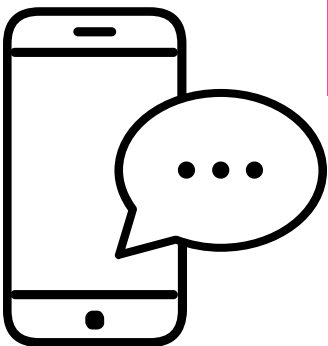

**This helps limit patient contact
during appointments.**
