INNOVATION CONTINUE...

Notre gamme est en constante évolution, et basé sur une recherche continue de matériaux et de procédés de fabrication favorisant une économie circulaire, appuyés par des certificats reconnus.

Nous avons actuellement, et développons de nouveaux produits avec les matériaux suivants:

Papier et plastique PCW, papier et plastique antibactériens, tissu RPET, coton biologique, liège, bambou, papier FSC, plastique oxo-biodégradable.

Matériaux écologiques, bon design, meilleur emballage, bon sens ... c'est ainsi qu'on crée des **solutions de bureau intelligentes**

CONTINUOUS INNOVATION...

Our product range is in constant development, and is based on a never-ending search for materials and manufacturing processes that promote a circular economy, backed by recognized certificates.

We currently have and are developing new products with the following materials:

PCW paper & plastic, anti-bacterial paper & plastic, RPET fabric, organic cotton, cork, bamboo, FSC & PEFC paper, oxo-biodegradable plastic.

Eco-friendly materials, good design, better packaging, common sense... That's how you make **smart office solutions**

Les étiquettes adhésives de HERMA sont idéales pour des mentions signalétiques, pour identifier, classer, organiser, fixer des dates et planifier, elles remplissent diverses fonctions dans la vie quotidienne.

HERMA multi-purpose labels quickly make themselves indispensable. They are practical aids for all kinds of everyday tasks: calling attention to important information, labelling, organizing, scheduling and planning.
