BEACON OF HOPE NEWS

SERVING ON THE ISLAND OF ROATAN, HONDURAS

"Oh give thanks unto the Lord, for He is good: for his mercy endureth forever."- Psalms 107:1

We are deeply grateful for each of you who have chosen to share in the burden and blessing of mission work in Honduras. Your prayers, encouragement, and faithful support remind us that we are never laboring alone, but are part of a body united in Christ for His glory. We can truly say the Lord has been so very good- not only to the Hale family, but also to the little church on the island. His hand of provision, protection, and growth have been evident in ways both great and small, and we are continually humbled to witness how He uses willing hearts to accomplish His work. Thank you for allowing the Lord to use you as part of this ministry!

Last year, we were blessed to spend nearly eight months in Honduras, watching the Lord faithfully order each step. We began the year completing our language studies on the mainland, preparing for the work God had ahead. Soon after, we moved to the island to assist the Trawick/Henry families, eager to serve wherever we were needed. In October, we witnessed a true miracle as the Lord provided the funds to complete the church sanctuary. What once stood as a simple concrete structure has been transformed into a beautiful tiled, sanctuary, equipped with ceiling fans, air conditioning, and a larger platform- clear evidence of God's provision and care for His people. Yet even more precious than the physical transformation has been the spiritual work taking place. We have seen the Lord stirring hearts and gently drawing individuals closer to Himself. Though the journey of growth is ongoing, we rest in confidence that He who began a good work will be faithful to continue it. We will be heading back over February 27th after a brief visit to the US, so we ask that you keep us in your prayers.
