- **Special Events and Major Tournaments** – These provide an opportunity to meet and play with members with similar golf skills from other clubs within the Association.
- Encourage your Club to field a team or teams for WPLGASC Team Competition.
- **WPLGASC Annual Meeting** – This meeting provides an opportunity to see how the Association operates and also to socialize with members of other clubs.

ASSOCIATION MONTHLY PLAY DAYS PROCEDURE

- Make note of the month that your club is scheduled to host a Play Day.
- The Division Representatives should ask for your assistance on that day.
- If asked to assist, secure table workers well in advance. You will need a group (playing last) to check-in tournament participants AND a group/s (playing first and/or in the middle of the field) to collect cards and information at the end of play.
