## ALCOHOL AND DRUG POLICY

## Minnesota Statutes, section 245.04, subdivision c. ALCOHOL/DRUG USE POLICY

Requires that an applicant or license holder must have a policy that prohibits license holders, employees, subcontractors, and volunteers, when directly responsible for persons served by the program, from abusing prescription medication or being in any manner under the influence of a chemical that impairs the individual's ability to provide services or care. The license holder must train employees, subcontractors, and volunteers about the program's drug and alcohol policy.

Please write **<u>IN YOUR OWN WORDS</u>** your drug and alcohol use policy for your home below. The policy must state when or if you use alcohol or prescription medications, how it is monitored if it is in the home and what you would do if a foster child was drinking or brought alcohol in your home.
