# Global Causes

- Lions clubs around the world unite around five areas of need.
- These Global Causes present significant challenges to humanity, and we believe it's our turn to meet them.

## Childhood Cancer

We serve to help those affected by childhood cancer survive and thrive.

## Environment

We serve to sustainably protect and restore our environment to improve the well-being of all communities.

## Vision

We serve to prevent avoidable blindness and improve quality of life for people who are blind and visually impaired.

## Hunger

We serve to ensure all community members have access to nutritious foods.

## Diabetes

We serve to reduce the prevalence of diabetes and improve quality of life for those diagnosed.
