Approval of 2025 Department September Quarterly Minutes as were published

Emailed in Nov from the Department Adjutant to all Department Staff and Commandants

Is there a Motion to accept the Minutes as they were sent by email?

Motion by **Marine Mark Hoernschemeyer** to accept minutes as sent by email.

Motion Seconded by **Marine Matt White**.

Further Discussion: NONE, **Motion Carried**, Minutes ACCEPTED as were sent.

CORRESPONDENCE: No official from Commandant or floor. Commandant wished everyone a Merry Christmas, Happy New Year and hopes 2026 is a good year.

REPORT OF PAYMASTER: (on file and Verbal)

(Finances) Paymaster, Jim Maevers, report given on National, Division, and Department, report has been filed as required. **(Paymaster provided all reports to Adj is anyone needs or wants to review)**

- From last meeting the two approved reimbursements for both the Department Commandant at National Convention (2025) and to Detachment 656 for associated costs were briefed and associated deposits with all accounts.
- Paymaster shared the Morgan Stanley Register with Teresa Terry and Wendell Webb who are assigned to the Investment Committee. Accounts continue to grow
- All Detachments PLM's have been submitted in a timely manner.
- All budget items that were laid out for 2025 look good.
- Unbudgeted amount is \$1574.25
- I track transmittals as well. As of June 2025, at convention, we had (304) renewals of Regular Members, (53) New Members, (71) renewal for Associate Members, (56) new Associate members, more new Associates than new members, much of this is from Warsaw Detachment Marines. We had (5) renewals for Dual Members, (4) Life Regular Members, (2) Life Associate Members, (1) Transfer.
- I am still tracking NOD, no transmittal required, email both sides of chain, additional info same as was published in September Department Minutes regarding NOD.

(Paymaster)

- All new forms that came out of National are posted on the MOMARINES.COM website. These include new applications, new transmittals (please use these) easier for Department Paymaster, all forms are fillable.
- Some changes include New Transmittal will use Profile #, so will NOD, and Detachment ROIs now include Profile #, Name, email, and phone number (NO ADDRESSES).
- From a Division Level, Detachment Annual Reports are important to NVC. **ANY DATA** better than **NO DATA!**
- Need all data over last 6 months in multiple categories for NVC to report to National by end of month. Data is anything your Detachments due, events, community service hours, honors, etc.

(Mostly For Paymasters): Discussed here verses New Business

- Paymaster is requesting permission to transition to an Electronic Transfer of Transmittals to the Department Paymaster for review and acceptance, then request a Fund Transfer Electronically or paper version from the Detachment PM to the Department Checking Account.
- Paymaster then does Electronic Transfer of Transmittal, and National Payment is direct from PM to National. Currently about 10 % are being processed this way. This was introduced about 4 years ago but didn't grow legs. If we could get all on board in the next 18 months that would be great.
- (Two Motions)-#1 Authorize the paymaster to establish an account with EFT Corporation on behalf of the Department to receive electronic funds from the detachment to the department. Motion by Kevin Enlow, 2nd by Fred Romain, no discussion, motion voted on and carried. #2 Authorize paymaster to electronically submit National Dues that are received from the Detachment to National HQ's from the Department Operating Account, motion by Adjutant, 2nd by Fred Romain, discussion on fees, Detachment will cover their fees and fees for department will be covered by Department. Motion voted on and carried.

REPORT OF MEMBERS SICK OR IN DISTRESS: (Teresa Terry) no report on file

- Chaplain briefed all sick and distressed. Please keep everyone in thoughts and prayers. Lots of flu and COVID are going around.
- Jason briefed that Kevin is slowly making improvement. Process of getting primary provider x 3 days per week. Tunnels for Towers in final stage with family, working on property and house that is ADA compliant. Christmas Eve, full sentences, still being fed. Continue prayers.

STAFF/COMMITTEE REPORT HIGHLIGHTS:

Commandant: (Verbal)

- Jason stated that hopefully 2026 will be a great year for everyone. Everyone acknowledges receipt of emails from Jason.

- He hopes to travel to all detachments in 2026, and he will be attending the 2026 Mid-Winter Convention in Arlington VA. Announced that Cheryl Witthar is now the Department Compliance officer, if you need help with 990 and ROI's, please contact her.
- Goal for Commandant is to get all (18) Commandants in the room.

Sr Vice: Kevin Enlow (**On File, Verbal**):

- Ditto on Commandants' comments.
- Re-emphasized that if you have Marines deserving of awards from Department or above, please submit to Sr. Vice (Kevin). Make sure if submitting for Department MOY Award, that you follow the rules.
- MOY nominations are due NLT the March Department meeting. For MOY see enclosure "C" for Associate of the Year (AOY) see enclosure "E". June 12-14 Department Convention.

Jr Vice: Mark Hoernschemeyer (**Verbal**):

I am still getting kick back emails when I send out information. Please double check ROI and make sure information is correct. Continue to recruit and attempt to get unpaid members to pay their renewal dues.

Judge Advocate (Verbal):

- Updated Department By-Laws are on MOMARINES.COM site.
- I've received some Detachment By-Laws, they been endorsed and returned, greatly appreciated.
- Proposal to National regarding Enclosure 3, Section 10 on Medallions 2025 edition, on National Website under Conventions #15, check and read it, let's talk about before we blow up my phone.
- F/U with item Sr. Vice briefed as a potential oversight. Enclosure 3, nominations documents for may also be emailed to the Sr. Vice or Chairperson of Committee if you know who that is. For some reason this was included in line "C" but not in D, E, or F. Does anyone know why or when?
- So under this I am asking in compliance with section 9:10 to be authorized to add this into D, E, and F as a clerical error, which prevents us from having to file and amendment through the chain. If allowed all awards can be emailed to Sr. Vice or assigned Chairperson. Motion made: By Ed Witthar, 2nd by Marine Martin, no further discussion, motion carried. Marine Frances brought up that do we require Wet Signatures or electronic, members agree electronic will be authorized in conjunction with recent approved motion that was carried.

Adjutant (Verbal):

- Couple things. Thanks to those that submitted reports, keep doing the right thing. I received a total of 10/18 as of meeting time, if you still have them, please submit it to me.
- Reminded everyone that each of you, especially the Commandants, took an oath to uphold the traditions, follow rules and guidelines, so we know the right thing to do, so do the right thing, it's that simple.
- I sent all detachments an example tracking log from Detachment #1473, use as a guide to track hours and events. I will be adapting it over the coming weeks to make sure its user friendly and compiles the data needed for reports to be given by the Department Commandant, and the National Vice Commandant at the Division level.
- Please account for everything you do, travel, planning, phone calls, rehearsals, zoom meetings, and execution. I used 183 Honors as an example, they conducted 296 funerals in 2025, this was not 296 hours but a total of 7400 actual hours of time to make these honors happen. This is what we want to paint a picture of at all levels.

Sgt at Arms: NR

Chaplain: Marine Teresa Terry briefed the Sick and Distressed earlier and briefed all Passed Members that she had received. Sr. Vice also made sure she was aware of Iwo JIMA Veteran from Detachment 183 that passed the day prior to the meeting, Marine Ken Kentrell. Proper paperwork to follow to Chaplain and Fred.
