

Dear Community Member:

Christ Church School (CCS) invites you to help support early childhood education in your community by participating in CCS's Fall Fundraiser, Apres Ski, to be held on November 16, 2024. By participating as a sponsor, or a silent auction contributor, you can help CCS continue its mission of developing the whole child by providing challenging and creative academic, spiritual, and social experiences for its' students.

Located in Paradise Valley, Arizona, CCS is a Preschool and Elementary School that strives to offer the highest quality early childhood education programs for its students. It is through the generous support of CCS families, community members and local businesses that we are able to provide an enhanced learning environment for our children.

To meet our goal, we are seeking sponsorships and/or donations for our 2024 Fall Fundraiser, either in the form of an item for our silent auction, or a cash donation to help underwrite the fundraising event. Please let us add your name to the list of generous individuals and organizations that support CCS and its students.

Attached, please find the Donation Agreement Form. Please complete the form and return it to CCS along with your auction item or monetary donation. If you prefer, we can make arrangements to pick up your donation.

Christ Church School is a 501(c)(3) organization. Donations are tax-deductible, to the extent allowed by law. CCS will provide you with an acknowledgement letter for your contribution.

Thank you for supporting Christ Church School.

Sincerely,

CCS Saints  
Christ Church School
