Sue Schaffner

Sue Schaffner is a seasoned nonprofit financial leader with over 20 years of experience in executive management, strategic financial planning, and operational oversight. As the Chief Financial Officer of Serving Seniors, a San Diego-based nonprofit dedicated to supporting low-income seniors, Sue has played a pivotal role in ensuring financial sustainability, compliance, and long-term growth.

In her role, Sue oversees IT, data management, and facilities, in addition to overseeing critical financial functions such as grant management, internal controls, budgeting, and investment strategy. Her ability to balance financial responsibility with operational efficiency ensures that resources are effectively allocated to maximize community impact.

Beyond her financial expertise, Sue is passionate about leadership development within the nonprofit sector. She has actively contributed to mentoring and training programs, cultivating strong, ethical leadership in organizations focused on social good. Her ability to navigate complex financial and operational landscapes while maintaining a mission-driven focus makes her an invaluable asset to IT Advocates.

With a deep commitment to serving seniors, Sue brings a strategic perspective to IT Advocates, ensuring sound financial governance and sustainable growth. Her expertise in IT and data management will further support IT Advocates in developing strong technology-driven solutions that empower older adults, ensuring they have the tools and support they need to thrive in an increasingly digital world.
