## Empowering Seniors Through Technology

# 1

### The Need

**IT Support, Expertise,  
& Patience.**

Navigating technology challenges can be overwhelming for seniors. IT Advocates addresses this concern with compassionate, professional support, helping them stay connected and confident in the ever changing digital world.

# 2

### The Vision

**Sustainable Growth,  
Lasting Impact.**

IT Advocates strives to become a trusted resource for seniors. By combining donor support with a pay-what-you-can model, we'll ensure every senior has access to the help they need. Our vision includes expanding geographically and to serve individuals with disabilities, creating a lasting legacy of digital confidence.

# 3

### The Plan

**Proven Approach,  
Clear Goals.**

With decades of experience, modern security expertise, and a passion for helping others, IT Advocates is built on trust. Our simple plan: leverage proven processes to provide compassionate support, keeping seniors confident, safe, and connected.

# 4

### How You Can Help

**Your Support  
Creates Impact.**

Your donation helps IT Advocates grow into a vital community resource, funding workshops, tech assistance, and outreach programs that empower seniors to stay connected, safe, and confident. Together, we can make a lasting difference.
