

## WILDFLOWER JOURNEYS SEPTEMBER RETREAT

Join us September 26-29, 2025 at our upcoming Rooted & Rising retreat. Immerse yourself in a powerful healing journey nestled in the tranquil Colorado mountains. This sacred gathering is thoughtfully designed to nurture your soul, renew your spirit and create deep, lasting connections with yourself and other like minded women.

This retreat is more than a getaway—it's an invitation to step into a safe space where you can heal, connect and awaken your true self in the loving company of a supportive community of women.

### THE DETAILS

Join us for a serene getaway in the mountains, only 90 minutes from Denver Airport, where every detail is taken care of for you. Located on private acreage, our retreat home offers the perfect space to relax and reconnect with nature. Throughout this retreat, you will be guided by experienced facilitators in practices designed to help you release tension, cultivate inner peace and promote profound healing. Aside from the comfortable lodging and chef prepared meals, you can unwind in the hot tub under the stars, refresh in the sauna and let the peace of the mountains wash over you.
