ONE HART Racing — Hispanic Alliance Racing Team at race venue

---

To our Valued Partners,

The last four races have been a true test of grit, strategy, and endurance. While the road has been challenging, ONE HART RACING is proving that we don't just show up — we compete at the highest level.

I want to personally thank you for your unwavering belief in this project. Without your support, the engines of this team wouldn't be turning. Because of you, we are not just a team; we are a movement.

## WHY YOUR SUPPORT MATTERS

---

Every result listed above is a shared victory. Your sponsorship provides the equipment, the nutrition, and the logistics that allow athletes like Elizabeth, Andrea, Kala, Mateo, and Edibaldo to focus on one thing: **performance**.

We are finding our rhythm, and the momentum is palpable. As we look toward the next block of racing, we do so with the confidence that we belong at the front of the pack.

## UNITE . RIDE . INSPIRE

Because together, we are stronger.

With gratitude,
