

Dear Trusted Business Partner:

The Western Montana Trail Riders would be pleased to have you as a Business Member of our organization. We are a non-profit organization and depend on business partners like you to make the club what it is. Partnering with our club will make us all stronger in keeping trails open and promoting ATV recreation.

We continue to be an organization of conscientious OHV enthusiasts who share a common goal of promoting safe, responsible and enjoyable recreational riding in Western Montana. We want you to be a part of our club since we currently do business with your company and would like to promote you within our organization.

We also encourage you to attend our monthly meetings which are currently held at 7:00 PM on the third Wednesday of every month from January to November. We discuss several topics at the meetings and would encourage your input and participation. The normal meeting location is at Missoula Chevrolet on North Reserve. We always begin with food at 6:30 PM to get everything started.

The benefits to joining are as follows:

1. WMTR.org will display your business information
2. WMTR.org will have a link to your business web site
3. Opportunity for you and your employees to attend meetings
4. Have a vote on all club related items
5. Can attend and participate in our rides
6. Promotion of your business at meetings and club functions
7. Receive all club e-mails

The cost for a Business Membership is \$60 per year. We will promote your business within our club and consider you a business partner of the WMTRA. If you are interested please fill out the enclosed Membership form with your check for \$60. You can pay online or mail it to the address on the form or give it to a club member in person. You can contact Dave Felstet(WMTRA club president) at 406-546-5004 or by email at felstet@aol.com if you have any questions.

We look forward to having you in the club as a trusted business partner. We all need to protect our riding areas to have a viable future for OHV use in the state of Montana!

Thank you,

WMTRA
