

WESTERN MONTANA TRAIL RIDERS ASSOCIATION

WHO WE ARE

We are a non-profit organization, established in 2005, representing environmentally conscious OHV enthusiasts who share a common goal of promoting safe, responsible and fun recreational riding for families and individuals alike.

WHY YOU SHOULD JOIN US

- Meet new friends.
- Enjoy camaraderie and a common experience with others who share your interest in OHV riding.
- Learn more about where to ride in western Montana and northern Idaho.
- Stay informed about OHV issues, laws, current events and upcoming activities.
- Help us advance public awareness and understanding of OHV recreation.
- Become part of a collective voice that seeks to promote and defend our right to access public lands for OHV recreation.

OUR MISSION

- Introduce OHV riding to those outdoor enthusiasts interested in motorized recreation.
- Foster individual involvement in our club as we work with land management agencies and other user groups to improve access to our public lands. By working together, we can help maintain existing trails and assist with the establishment of new trails in areas not currently open to off-road use.
- Teach OHV users good safety practices and proper trail etiquette as we share these trails with other motorized and non-motorized users. By showing respect for the land and to others who use our trail systems today, we can improve our likelihood of accessing these lands in the future.
