GERMAN-MASONTOWN PUBLIC LIBRARY 2021 FUND DRIVE

While the Covid-19 Pandemic continues, so does the mission of German-Masontown Public Library. We're here to assist the community with its needs. We've become a PA Forward Gold Star Library because we assist the community in the 5 basic literacies (Basic Literacy, Information Literacy, Civil and Social Literacy, Financial Literacy, and Health Literacy). We are now offering assistance with finding employment through *Brain Fuse Jobs Now* and *Chat with a Librarian* reference service. Both services can be accessed anywhere with a library card.
