

Adam's Detail LLC

- Mobile Detailing Service's -

Professional mobile detailing for your vehicle, inside and out.

We bring the tools, expertise, and care to make your car look and feel like new.

Important Notes

-  Water & power hookup required for exterior washes, paint services, and steam cleaning.
 - Portable interior and spot-cleaning services can be performed without hookups using a 55-gallon water drum and generator (**LOCATIONS ARE CONDITIONAL**).
 - Pricing varies by vehicle condition, size, time required, and location.
 - Mobile service fees and applicable sales tax apply to all services.
-

Disclosure's, Taxes & Additional Fees

State & Local Sales Tax

All applicable services are subject to Ohio state and local sales tax. The current combined sales tax rate for the Cincinnati / Hamilton County area is 7.8%. This tax will be added to the final invoice where required by law.

Mobile Service Fee

A mobile convenience fee may apply depending on distance, travel time, and service location accessibility. This fee helps cover fuel, travel time, and transport of equipment.

Heavily Soiled / Excessive Condition Fee

Vehicles requiring excessive cleaning due to heavy dirt, pet hair, stains, mold, or biohazards may incur an additional fee. This will always be discussed and approved before work begins.

Large Vehicle Fee

Oversized vehicles such as large SUVs, trucks, vans, or lifted vehicles may incur an additional charge due to increased time, product usage, and labor.

Travel Fee

Appointments located outside our standard service area may include an additional travel charge depending on distance and time required.

Excessive Pet Hair Removal

Vehicles containing excessive pet hair that requires specialized tools and additional time may incur an additional fee.

Heavy Soil / Condition Fee

Vehicles with excessive mud, sand, salt, spills, stains, or buildup may require additional labor and products. A condition fee may apply depending on severity.

within approximately 25 miles. Appointments outside this range may still be available but could include an additional travel fee depending on distance and travel time.

Biohazard / Bodily Fluid Cleaning

Vehicles containing vomit, blood, urine, or other bodily fluids require specialized sanitation procedures and may incur an additional cleaning charge.

Seat Removal Fee

In rare cases where seats must be removed to properly clean carpeting or reach contamination underneath, an additional labor charge may apply.

Generator / Water Usage Fee

If the service location does not provide water or electricity, onboard water tanks or generator equipment may be used for a small additional fee.

Oversized Vehicle Fee

Large SUVs, lifted trucks, vans, or vehicles with third-row seating may require additional time and product usage and may incur an added fee.

Late Arrival Fee

If the customer is more than 15 minutes late to a scheduled appointment without notice, a late fee may apply or the appointment may need to be rescheduled.

Water / Power Access

If water or electrical access is unavailable at the service location, a small equipment usage fee may apply for onboard water or generator use.

Payment

Payment is due upon completion of service unless otherwise agreed. Accepted payment methods may include cash, card, or digital payment.

Pricing Transparency

All prices listed are base service prices. Final pricing may vary based on vehicle size, condition, and requested add-on

Service Area

We proudly offer mobile detailing services throughout the greater Cincinnati area. Our standard service radius includes locations

Appointment Scheduling

Appointments can be scheduled in advance and are reserved on a first-come, first-served basis. We recommend booking ahead to secure your preferred date and time. Confirmation will be provided once the appointment is scheduled.

Deposits

Some services may require a small deposit to secure your appointment, particularly for larger jobs or full detailing packages. Deposits are applied toward the final balance of the service.

Cancellation & Rescheduling

We kindly request at least 24 hours notice for cancellations or rescheduling. Late cancellations may result in forfeiture of any deposit paid. Emergencies and severe weather situations will always be handled with understanding.

Weather Policy

As a mobile service, weather conditions can affect scheduled appointments. In the event of heavy rain, lightning, freezing temperatures, or other unsafe conditions, appointments may need to be rescheduled. We will contact you as soon as possible to arrange a new time.

Vehicle Condition Disclosure

Please inform us ahead of time if your vehicle has excessive pet hair, mold, bodily fluids, heavy stains, or extreme buildup of dirt or debris. This helps ensure we schedule the appropriate time and resources for the job.

Personal Belongings

Customers are asked to remove personal items from their vehicle before the appointment. We are not responsible for lost or damaged personal belongings left inside the vehicle.

Access Requirements

For mobile service, we require safe access to the vehicle and enough space to work around it. Access to water and electricity is appreciated but not required. If onboard water or power is needed, an equipment fee may apply.

Payment

Payment is due upon completion of the service unless otherwise agreed. Accepted payment methods may include cash, credit or debit card, and digital payment platforms.

Satisfaction Guarantee

We strive to deliver professional, high-quality results with every service. If there are any concerns after the service is completed, please let us know right away so we can address the

Automotive Restoration Services

Price varies depending on the **condition** of the vehicle and **the scope of work required**.

Our automotive restoration services focus on improving the condition, functionality, and appearance of vehicles that have experienced wear, damage, or long-term neglect. Services may include rust removal and treatment, replacement or installation of worn or damaged parts, and basic vehicle diagnostics to help identify common mechanical issues. We also offer specialized deep-cleaning services for interiors affected by mold, heavy contamination, or bodily fluids. This process involves thorough sanitation, odor removal, and restoration of interior surfaces to improve cleanliness and usability. Each project is evaluated individually to determine the best approach for restoring the vehicle safely and effectively.

Disclaimer: All services are subject to vehicle condition, time required, and location. Mobile service fees and applicable sales tax apply to all services.

Specialty Services: Non-Automotive

Small Engine Repair & Part Replacement

Diagnosis, repair, and part replacement for small engines such as lawn mowers, pressure washers, generators, snow blowers, and other small equipment. Services include troubleshooting, tune-ups, carburetor cleaning, starter issues, and component replacement.

Pricing: Pricing varies depending on service request and parts required.

Small Engine Cleaning & Restoration

Small engine cleaning is commonly included with engine repair services but can also be requested separately. This service focuses on restoring the exterior condition and functionality of small engines used in equipment such as generators, pressure washers, lawn equipment, and similar machinery. Work may include removal of rust buildup, degreasing and cleaning of exterior components, and surface preparation to prevent further corrosion. When appropriate, we can also apply protective paint or sealing coatings to help preserve the engine housing and extend its lifespan. Our goal is to improve both the appearance and reliability of the equipment.

Pricing: Price varies depending on engine size, condition, and level of service required.

Subscription Maintenance Services

Convenient recurring service plans designed to keep your home and equipment maintained year-round. Subscription options may include regular cleaning services, equipment inspections, seasonal maintenance, and other scheduled upkeep.

Pricing: Pricing varies depending on service request and frequency of service.

Garbage Can Cleaning

Deep cleaning and sanitizing of residential garbage cans to remove odors, bacteria, and buildup. Service includes washing, deodorizing, and disinfecting to help keep your bins fresh and sanitary.

Pricing: Pricing varies depending on service request and number of bins.

Driveway Cleaning

High-pressure cleaning to remove dirt, oil stains, mold, mildew, and buildup from driveways and concrete surfaces. Helps restore the appearance and safety of exterior surfaces.

Pricing: Pricing varies depending on service request and surface size.

Indoor Spot Steam Cleaning

Targeted steam cleaning for stains on carpets, upholstery, and fabric surfaces inside the home. Ideal for spills, pet stains, and high-traffic areas that need deeper cleaning.

Pricing: Pricing varies depending on service request and affected area.

Old Appliance & Trash Removal

Removal and disposal of unwanted appliances, household items, and general trash. Helps clear space and safely remove bulky or difficult items from your property.

Pricing: Pricing varies depending on service request and item size or quantity.

Home Repairs

General home repair services including minor fixes, maintenance tasks, and basic improvements around the house. Examples include fixture repairs, hardware replacement, and small maintenance projects.

Pricing: Pricing varies depending on service request and materials required.

Home Painting Services

We provide interior and exterior painting services for residential spaces. This includes painting individual rooms, walls, trim, decks, and other household surfaces. Preparation work such as cleaning surfaces, minor patching, sanding, and priming may be performed to ensure proper paint adhesion and a smooth finish. Deck painting and sealing services can help protect outdoor wood surfaces from weather damage while improving their appearance. Every project is assessed individually to determine the materials and time required to deliver a clean and durable result.

Pricing: Price varies based on project size, surface condition, and materials required.

House Cleaning & Maid Services

Routine or deep cleaning services for homes, including kitchens, bathrooms, floors, and general living areas. Services can be scheduled one-time or on a recurring basis.

Pricing: Pricing varies depending on service request and home size.

Computer Diagnostics, Repair & Cleaning

Troubleshooting and repair for computers including hardware diagnostics, performance issues, system cleanup, and basic maintenance. Assistance with equipment selection and technology advice is also available.

Pricing: Pricing varies depending on service request and parts required.

Phone Cleaning

Professional external cleaning of phones to remove dust, debris, and buildup from ports, speakers, and surfaces. Helps maintain device cleanliness and improve performance of ports and buttons.

Pricing: Pricing varies depending on service request.

Disclaimer: All services are subject to condition, time required, and location. Mobile service / pickup fees and applicable sales tax apply to all services.
