Barnegat Bay Yacht Racing Association

BBYRA Race History 1950 - 1959

Scores in the Mid 50s were accumulated on a large spread sheet (24x36 inches) with all of the fleets on one page. If boats registered for a fleet, that did not fit in the original space, additional blocks of space were used further down the sheet. The sheet was copied using a blue print machine, resulting in some hard to read prints. By the late 50s the spread sheets were separated by fleet with multiple pages for a fleet as needed.
