

Dear Friends and Family,

I guess by now you are probably wondering where a lot of your friends and family have gone. Trust me, they are not trying to worry you. They are safe and, in a place, they have been longing to go for a long time. However, they only wish you had been able to go with them. They have been taken away in the rapture.

Please get a Bible as soon as possible and read I Thess 4:16-17. Jesus has taken from this earth all those who have accepted him into their hearts and have been born again.

Many may try to tell you that we have been abducted by aliens, but do not believe this lie.

This is what's going to happen now. In the very near future, will begin a seven-year period of terrible suffering, such as the world has never seen before. This is known as the tribulation. You also need to read the book of Revelation in the Bible.

There will be a man rise up that the world will think he is wonderful because he will seemingly get things under control, but beware, this man **is** the anti-Christ. He will deceive many people, but please don't be one of those people.

Times will be hard; you may not be able to buy or sell anything unless you take what is called the Mark of the Beast, this will be a mark on your forehead or right hand "666" whatever you do, **DO NOT TAKE THIS MARK**. This mark may also come in the form of a microchip. I'm not sure how this part will play out. Just be on guard.

You can still be saved during this time, but it will be hard. You may have to give up your life, you may even be beheaded. It will be worth it all when you make it to heaven.

Please know that many prayers have already been prayed for you while we were here on earth. It **is** possible, **you can do this, be strong**, we are waiting for you on the other side.

Love in Christ

**For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever**
