## 1. From Northern Utah

Drive south on i-15, take SR20 to HWY 89. Turn right and follow HWY89 through Pangutich to Tod's Junction on the right (approx. 37 miles on 89) Turn right on HWY 14 and drive approximately 3 miles to the Stout Canyon sign. Turn left onto a well- traveled dirt road and stay right, which will lead you up into the trees where the road forks at a sign. The sign indicates Stout Canyon and Harris Rim. Keep Left on the Stout Canyon Road and travel approximately 6 miles. Watch for a sign on the right side that says HEATON RANCH. Turn right in through the gate and proceed to park.

## 2. From Kanab / Arizona

Drive North on HWY 89 through Orderville and Glendale, Utah. About 4 miles past Glendale there will be a turn off to the left on to a well-traveled dirt road. The sign says Stout Canyon. (If you get to the rest area on the left side of the highway, you just missed the turn off.) Turn onto the dirt road and drive about 3 miles. You will see the A-frame building and ponds before you see the sign on the left side of the road that says HEATON RANCH. Turn left through the gate and proceed to park.
