

MOLL MACHINE WORKS, LLC

Integrity in Manufacturing

Machine List

- 3 Axis Mills (28"x16"x15.5" Travel)
- 5 Axis Mills (6"x6"x6" Part Envelope)
- Manual Toolroom Lathe (6"x34" Travel)

Materials

- Aluminum Alloys
- Steel (Mild, Carbon, Stainless)
- Copper, Brass, Bronze Alloys
- Plastics (Delrin, ABS, UHMW, Etc.)

Finishing – NADCAP Accredited Vendors

- Anodize
- Electroless Nickel
- Passivate
- Chemical Conversion Coating
- Electropolishing
- Gold Plating

Fabrication and Welding

- MIG/TIG/Stick Welding
- Steel/Stainless Steel

Inspection

- 3-Axis CMM (16"x20"x4")
- Programmable 5-Axis CMM (20"x30"x18")
- Manual Metrology Equipment (Pin/Thread Gage, Calipers, etc.)
- All Metrology Equipment Calibrated to NIST Annually

Secondary Assembly

- Threaded Inserts (Helicoils, Keylock etc.)
- Press Fits (Dowel Pins, Bearings, etc.)
- O-Rings and Seals
- Bolted Assemblies

Traceability and Reporting

- Standard Hand Inspection Reports
- Formal CMM Inspection Reports
- Material Mill Certificates Available
- Material Traceability Available
- ITAR Registered and Compliant

24 Hour Standard Quote

Expedited Service Available
