Sun City Center, FL. - Zion international Missions Ministry, Inc.,

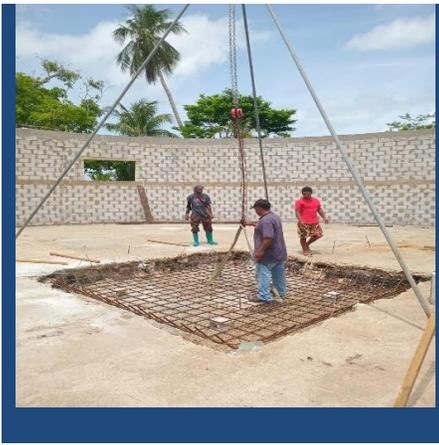

(ZIMM, Inc.) is dedicated to empowering Third World Countries by providing health care resources, educational contributions, construction opportunities, and environmental championing to families in need. ZIMM, Inc., is a Christian Ministry, without walls, founded to perform missionary services for distressed families in Belize, Central America, and Kitale Village, Kenya, Africa.

## Health Care in the Villages

From education to health care, Zion International Missions Ministry, Inc., (ZIMM, Inc.) offers a variety of support to the rural families in the six (6) villages in Belize, CA: Bomba, Lucky Strike, Maskall, Rock Stone Pond, Santana, and St. Annes. ZIMM, Inc., is currently constructing a 5,000 sq. ft. health clinic in the village of Bomba. The health clinic is located along the North Belize riverfront, in the ZIMM, Inc., Ministry complex. Phase I is under construction, which will feature a 30 seat reception area, 4 medical examination rooms, doctor’s office and more. Phase II construction is a 1,000 sq. mezzanine floor to accommodate medical doctors and staff offices. The Health Clinic will provide general services for children and adults. This will accommodate more rural families in the villages, without a healthcare clinic.

**Zion International Missions Ministry, Inc. conducted a Bomba Village Health Clinic Groundbreaking Ceremony in Belize, Central America. The Groundbreaking Ceremony was a monumental event for the area. The attendees were representatives from the Belize Ministry of Health, officials from the six (6) neighboring villages, and representatives from the United States.**

## Why It Matters:

### Health Care

**The Bomba Village Health Clinic** will provide health care services to families in six (6) surrounding villages in Belize, Central America. The closest, full service, healthcare facility is in Belize City, a 120 miles round trip from the Bomba village.

### The Rural Families

**The Bomba Village Health Clinic** with a medical staff, will have a special focus on meeting the health care needs for rural families, which specializes in these four (4) areas: **Eye Care, Oral Care, Prostate Health, and Women & Children’s Health.**
