

Are you interested in making a difference in your community and becoming a partner in a local network for change? Then please join the CFHC now!

Your membership is essential to our success on behalf of low to moderate income persons in our community in need of safe, decent and affordable housing that aligns with their income level.

The CFHC is steadfast in its vision to expand housing opportunities through advocacy, education and community collaboration. As a member, you will make connections, exchange information, and be provided the opportunity to promote housing affordability. In addition, quarterly Solutions Series events, hosted by the CFHC, give members and member organizations the opportunity to reach an audience of housing and social service professionals, local leaders, and the greater community. We also have engaging informational monthly meetings the 1st Thursday of each month.
