

YEAR-AT-A-GLANCE IMPLEMENTATION TIMELINE

Phase I

3 Weeks before school	
LEADERSHIP	

LEADERSHIP	
Purchase Learning Cultures Online training course for all teachers. Assign Course 1 to be	
completed by Learning Cultures Training.	
Identify all Leads	
Big History curriculum is assigned to 'placeholder' course for outgoing 8th grade and incoming 9) th
grade	
2 Weeks before school	
LEADERSHIP	
ASSESS	
Create assessment archives (e.g., Dropbox/GoogleDocs/physical filing system)	
CURR	
Syllabus writing PD (decluttering; emphasizing student as locus of curriculum) PD: insure all staff can log onto LC online course	
1 week before school LEADERSHIP	
Create Organizational Chart depicting how Lead Projects, Keepers, Grade Teams, Department	t
Teams, Support Staff function as a unit.	
Pre-record evaluations completed by end of B1 of Classroom Environment with documentation	ı to
principal (peer-to-peer feedback is an option)	
Schedule weekly meetings between principal and leads; and plan strategy to share information	n
and establish implementation accountability system	
Student forms: insure LC Permission Consent Form is signed	
Planning expectation messaged to all teachers (each week present at least one new resource	to
students—teach it through a brief overview/procedural lesson—and post it publically. Teachers	
should submit new references with their plans	
Develop archive for teachers to upload weekly lesson plans detailing assessment data (in case	S
where lesson was 'grass roots')	
Determine instructional vs. non-instructional days and issue Conference and CUR mandates	
ASSESS CONTRACTOR OF THE PROPERTY OF THE PROPE	
CBM materials are prepared	
In consultation with leadership, a draft of a 'school narrative' is created using existing dataOrganize CBM procedures and materials	
Organize CBM procedures and materialsPrepare SEA (Social-emotional assessment)	
Student sections of rubrics are laminated and affixed to Format artifacts (e.g., CUR Rubric in CU	IR
bins; Conference Rubrics on Conference Binder, etc.)	11
CURR	

__Field Education Plan: PD to teachers the Field Education Curriculum, planning, and accountability

CULTURE

(minimum 6 educational trips a year)

_Genre exposure lessons prepared for Weeks 1-3 in all subjects

___Grade/Subject curriculum syllabi reviewed by end of B1 ___Course syllabi prepared and submitted to Curriculum Team

© 2013 Cynthia McCallister All Rights ReservedEstablish system to monitor that each student receives Social Contract Talk (i.e., take attendance in classes where it is given; note names of missing students and arrange another opportunity; keep track of newly registered students and make sure they have access to Talk digitally). PDLearning Cultures training for all teachers (Courses 1&2; Course 3 lectures on Activity Block, Work Time, Cooperative Unison Reading, Learning Conferences and Share)Assign LearningCulturesOnline courses appropriately: Each grade/department should have one expert in each lecture (having thorough knowledge of lecture and downloadable documents). Document experts so they can be utilized by leadership for PDAssign new hires to become an expert in one or more lecturesPeer observations of Classroom Environments (check rooms against Rubric)
WEEK 1 LEADERSHIP Walk-throughs to assess for Social Norms. Brief existential coaching with teachers in Lesson Formats to secure positive social norms. Monitor for quality control, and connect teachers in need of support with 'resident experts' (PD lead compiles list of resident expertise) ASSESSMENT
Cycle I progress monitoring (CBM) training to support all teachers in Oral Reading Fluency assessments with follow-up competency feedback to students. School-wide plan for writing fluency and MAZE assessments. CULTURE
Keepers of the Culture nominations in returning grades are made (7-8 in middle school; 10-12 in high school)Social Contract Talk given in all classrooms
School-wide Progressive Consequences/ Ladder of Consequences is developed with some student input
Back-up system is in place with all teachers and students briefed on proceduresPromise meetings conducted with returning students who receive principal referrals CURRICULUM:
Genre exposure begins-and genre exposure assignments are givenWork Time is in place from Day 1 with teachers implementing Conferences and small group workStudents are systematically introduced to the Learning Cultures model (formats/personal responsibility/rubrics); and a school-wide system is adopted (to prevent repetition and redundancy)Learning Cultures orientation: Students are taught the Formats, their responsibilities, target goals, and how to meet them). Student sections of rubrics are referred to and used in Format activityPD staff on 'behavior of genre' framework, learning conference protocol, R-Team protocol, and format diagrams (LC classrooms; CUR; Learning Conferences) so that they can, in turn, teach the respective ideas to kids.
PD on curriculum resources: where to find them, how to share them, how to document them for review PD
LC Training Course: Delegate components of Courses 2 & 3 to department/grade point people with instructions for PD (coordinate with PD Lead)Complete PD-at-a-Glance document incorporating school goals, PD opportunities, learning venues and opportunities

WEEK 2

Teachers in Need of Immediate Improvement for Classroom Environments and Social Norms are identified by end of W2 (via school walk throughs—schedule conference, action plan, follow-up
informal)
List of students who receive principal referral are analyzed for those who need immediate
Intervention , , , , , , , , , , , , , , , , , , ,
Schedule of public education/open house events are scheduled in collaboration with Community
Education lead
Continue brief existential coaching in Lesson Formats with teachers to secure positive building-
wide social norms.
Execution of Ladder is secured in classrooms and fortified with 'on-call' system. Response time is
no fewer than 5 minutes (i.e., create system of 'back-up' for on call, utilizing teachers, deans, counselors and principal). Responses that reach principal will allow leadership to understand patterns
of behavior 'hot spots.'
Request curriculum resource lists from all teachers/grades/departments
ASSESSMENT
Cycle I progress monitoring (CBM) begins (SEA and DRP begin)
COMMUNITY EDUCATION
LC Presentation for parents/guardians: "What to expect"
Schedule of community education/open house events are scheduled in collaboration with
Leadership CULTURE
Teachers in need of Social Norms support are identified by leadership and provided coaching
support through PD (coordinate with PD lead)
Interventions begin with Keepers involvement
CURRICULUM
Content subject orientation completed by end of Week 2 (students are introduced to the
discipline, its structure, standards, and curriculum scope-and-sequence)Introduce 'documentary diet' and 'audio-book archive' assignments
redi-long plan for pie- and posi-lesis and content Questions, and Learning rargers handout. Strategize and plan to address the test as written genre form, and balance exposure to all pertinent
conventions and elements (e.g., short- and extended response, multiple choice, essay, map reading
and interpretation, story problem, etc).
PD
Lead support: Leads participate in inter-visitations and coach one another on high-impact format
PD survey is administered to staff
support through PD (coordinate with PD lead)
PD for development of assessments (coordinate with Curriculum Lead to support teachers across
LC schools to develop year-long plan for R-Team assessments)
Training on Responsibility Teams provided for all teachers (Learning Cultures course #3)

© 2013 Cynthia McCallister All Rights Reserved

WEEK 3 LEADERSHIP

Revise 'school narrative' in consultation with Assessment Lead to have ready for parent open
house/community education
Review teachers' lesson plans for accompanying assessment data (for 'grass roots' lessons),
quality of examples, and breadth of coverage
Field Education check in (remind teachers about Field Education Curriculum obligations)
ASSESSMENT
School narrative is revised in consultation with leadership
DRP and SEA completed (insure all teachers submit data).
CBM assessment results are compiled and analyzed in consultation with leadership and Code Blue
Lead
Code Blue
Analyze initial round of CBM data
Identify preliminary Code Blue Subgroups (e.g., 'emergent,' 'language,' 'dispositional')
Coordinate with Curriculum Lead to plan 'workout plans' for Code Blue subgroups
Community Education
Coordinate with PD and Curriculum Leads to plan monthly Learning Cultures public
information/PR events
Coordinate with Leadership and Assessment Lead to present 'school narrative' at public
information events
CULTURE
Keepers are enlisted to develop attendance-monitoring plan
Keepers Summit is planned (digital conference is encouraged if physical distance is a barrier)
Assess for students in need of Behavior Intervention
Keepers are enlisted to join Behavior and Academic Interventions
CURRICULUM
Responsibility Teams and content subject curriculum begins
"Big History" curriculum begins in designated area (e.g., 9 th grade Reading/6 th grade
reading/advisory)
PD
Learning Sites are identified ('go-to' classrooms for areas of need/focus)
Teacher Surveys, Self Assessments, Holistic Assessments collected/analyzed
Survey results are analyzed, interpreted and an initial action plan developed.
Professional Learning Groups are formed (AKA, 'Pods), and preliminary cycles are scheduled to
focus on CUR and Learning Conferences
A Learning Cultures curriculum timeline is developed to systematically lead teachers through the
Learning Cultures training program (including review of downloadable documents and activities)
First cycle of PD Learning Teams begins (Pods, PLCs, Labsites)

Leadership
Teacher Evaluations of Social Norms and Work Time completed by end of W4
Initial teacher conferences completed (with reference to data compiled by PD committee and
with attention to the 'holistic assessment of professional learning)
Assessment
Data management system is functional (allowing teachers and students to access progress
monitoring data)
PD teachers on how to access and use CBM data in conferences
Curriculum
Social Survey is administered consistently in R-Teams. PD teachers to learn how to help kids use SS
data to make goals and provide peers with useful suggestions for SEL.
PD Field Education
Code Blue
Identify target subgroups and plan sample 'workouts' to share with staff
Distribute Code Blue caseload to point people
Code Blue PD training—logistics and check-in/accountability system
Culture
Intellectual Social Contract Talk given (How curriculum is organized to support student intentions
and how personal responsibility plays a role)
Planning for Keepers Summit
PD
Teachers' learning plans are submitted
Analysis of teacher learning plans for PD needs and trends
Coordinate with Code Blue Lead and Curriculum Lead to provide training in Workout Plans
Spot-check classroom environments: Peer inter-visitation against Rubric (insure for Word Cards;
CUR bin materials; CUR sign-ups)
Service and the service of the servi
