

2022 Becker High School Bass Team

"Providing Opportunities ~ We Only Dreamed Of!"

Thank You Sponsors and Volunteers!

Our focus is to get kids outdoors! We may be on a boat, on a shoreline, or on the ice. We introduce to competitive fishing, but our focus is just to teach kids how to enjoy and spend time fishing.

Al Lindner said it best "Nobody likes to fish, what they like to do is catch!"

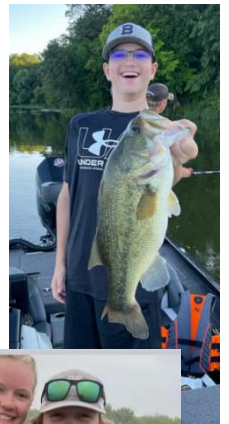

We have a large group of volunteers that help make this happen. The photos and smiles prove it!

We coach with intention toward fishing, but also mentor on communication, friendships, relationships, responsibility, participation, and volunteering. We want our anglers to be successful fishing and in life. We continue to push ourselves in attempts to be one of the most well-rounded, respected and solid teams in Minnesota. When we concentrate on fishing and mentoring we found that we build an incredible fishing family and ultimately a competitive "team".

So, with all of that being said we humbly like to show our successes too!

2022 Team Achievements

- ✓ **Becker Bass Team Presented OVER \$5000 in Scholarships this year to our own students!**
- ✓ **Becker Bass Teammates were rewarded over \$5000 more in scholarships!**
