

2018 Volunteer Letter
Becker High School Bass Team
Becker, MN

To: All Potential Volunteers

We are the Becker High School Bass Team. We were founded in 2017 and currently have 19 members. We are continuously amazed by the gracious help from the fishing industry, local community, sponsors and volunteers all in support of our team. We have had an exciting first year and look to expand and provide more opportunities into the 2018 season.

As the High School Bass angling is exploding we would love for you to come along with us and enjoy the ride! This is something new and fun to be part of! If you have a passion for fishing, come and share this passion with others. As a team, we participate in high school tournaments, community events, youth fishing events and volunteer at other Minnesota professional bass tournaments. With your help as a volunteer we can promote, teach, guide and influence the next generation of anglers in a positive way.

We not only appreciate you, but want you to know that we take our responsibility to our volunteers seriously. We want to build everyone up and make them better anglers and people. At our Becker Bass meetings each month we teach and emphasize respect, professionalism, engagement, and appreciation from the aspect of sponsors, natural resources, equipment, volunteers, and parents.

Our Becker Community and High School have been extremely supportive of our Bass Team. We have the use of an auditorium with a stage, overhead screens, lighting and sound for presentations. We would like to be able to utilize this space for more than just our team members and our team meetings. Once we establish relationships with specific vendors, coaches, professionals we would like to invite them to our facility for product introduction, tournament angling tips, fishing techniques and demonstrations. We would also like to have speakers discuss angler professionalism, safety, next step – college angling, and more. Any help, advice or assistance is greatly encouraged. Because of the size of our auditorium when we finalize dates we can invite other high school teams, volunteers or local anglers to join.

We greatly appreciate your time and support. Please Contact us if you have any questions in regards to helping. We look forward to having you as part of our team!

Becker High School Bass
