

# 2022 Becker High School Bass Team

*"Providing Opportunities ~ We Only Dreamed Of!"*

Thank You Sponsors and Volunteers!

Our focus is to get kids outdoors! We may be on a boat, on a shoreline, or on the ice. We introduce to competitive fishing, but our focus is just to teach kids how to enjoy and spend time fishing.

***Al Lindner said it best "Nobody likes to fish, what they like to do is catch!"***

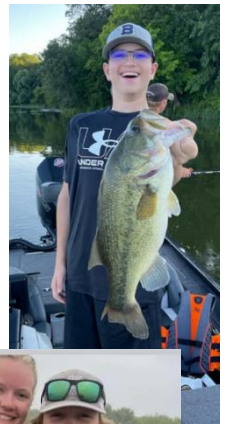

We have a large group of volunteers that help make this happen. The photos and smiles prove it!

We coach with intention toward fishing, but also mentor on communication, friendships, relationships, responsibility, participation, and volunteering. We want our anglers to be successful fishing and in life. We continue to push ourselves in attempts to be one of the most well-rounded, respected and solid teams in Minnesota. When we concentrate on fishing and mentoring we found that we build an incredible fishing family and ultimately a competitive "team".

So, with all of that being said we humbly like to show our successes too!

# 2023 Becker Bass Team Sponsorship

**Your sponsorship goes a long way!**

***With your help, our team provides opportunities that we all dreamed of having!***

*We get the kids outdoors!*

- Our philosophy is to teach kids how to enjoy being in the outdoors while being respectful, professional, safe and courteous. Yes, we teach how to fish too! We are competitive and successful in the High School Angling Circuits. But, we strive to provide opportunities for all kids to engage in fishing, volunteering and being part of a fun team!
- We are prudent with our resources. Your sponsorship money is used for: Jerseys, Hats, DNR Boater Safety Training, Prizes, New Angler Fishing Packages, Tournament Fees, School Facility Use, competition awards, training equipment, coach gas cards, volunteer activities/events, meetings, parade, sports shows, and more.

## “Get Outdoors” and “Next Level” Programs

We have been extremely fortunate to provide awesome fishing and outdoors experiences the past 6 years. Collectively our students, coaches, board members and sponsors tell of wonderful stories when spending time with our team. Fishing is special! We have a chance to be in the outdoors teaching, listening, and mentoring. We intentionally reach out to help kids, provide them experiences, and just share our passion and love of the outdoors. Our coaching philosophy is that we help by guiding them, not just in fishing, but in life.

### ***Provide Opportunities - Get Outdoors!***

As our Becker High School Bass Team continues to grow and reshape itself, we are excited to start our Scholars Program. Many kids these days don't have the opportunities, outdoor parents, equipment, or exposure to some of the fun that can be had in the outdoors. Minnesota gives us vast chances including fishing, hunting, trapping, hiking, camping, and more. Our plan with the Scholars Program is to work with Guides, camps, Non-Profits, team parents and coaches and give our students chances to experience these things. This will encourage students to “Get Outdoors” by showing, teaching, and providing new experiences.

### ***Next Level College & Trade School Scholarships***

For educational scholarships, we know not all students are 4.0, athletically gifted, or have the ability to write a short 4-page essay on why they deserve a college scholarship. We spend time with these students and get to know them. The scholars program allows us the ability to recognize specific students and to encourage them financially as they move on to their next level of education.

*Please consider donating to our Scholars Fund.*

*Protecting our outdoor heritage, teaching, mentoring, and giving opportunities for students in the great outdoors!*

*We promise the mission and the money will be spent wisely and go a long way in these kids' lives!*

Yes, we are willing to help!
