

2025 Becker Bass Team

“Next Level” Scholarship Program

Since 2023 the Becker Outdoor Education and Scholars Program has had the opportunity to make a positive impact on student anglers that reaches beyond fishing. We have been able to provide scholarship opportunities to our graduating senior and junior classes to help them and their families ease financial burdens and continue their educational journey whether it is in a university, 2-year college, trade school, or vocational training. We recognize the value of continuing the educational journey and the impact it has on future success, we also recognize your commitment to supporting student success, and there is nothing we are more grateful for than the support you provide for our team members and their futures. Student anglers that show commitment to the team, sport, sponsors, and community through volunteerism, leadership, teaching, mentoring, and helping the team succeed are the representatives we want to reward. We spend time with these students and get to know them. The scholars program allows us the ability to recognize these students and to encourage them financially as they move on to their next level of education.

Please consider donating to our Scholars Fund.

*Protecting our outdoor heritage, teaching, mentoring, and giving opportunities for students to keep learning
We promise the mission and the money will be spent wisely and go a long way in these kids' lives!*

Yes, we are willing to help!

Donation Amount \$ _____ (Donations of \$500 or more are featured on the ‘big checks’)
