

## Thank you, SOAHS FAMUly!

Although we did not meet our goal of \$25,000, because of YOU, we were able to raise **\$15,978!**

But we're not done yet... The **giving portal is STILL OPEN**, and right now, SOAHS is **3rd** among colleges and schools on the 1887 Strikes leaderboard. Let's take the lead and show everyone how Allied Health Science makes **BOLD** moves.

We're only **\$10,000** away from reaching our goal—and just **60** donors away from surpassing last year's number of supporters.

We only need **500 Rattlers** to give **\$20.00** to make it happen!
