The calendar for the people of YAHUAH does NOT change as does the world's.

On the fourteenth day of the first month at twilight is YAHUAH's Passover. And on the fifteenth day of the same month is the Feast of Unleavened Bread to YAHUAH; seven days you must eat unleavened bread."
-Leviticus 23:4-8

When Hebrews went into Babylonian captivity approx. 586 B.C.E., they lost their way as a people, as they took on pagan celebrations.

In the book of Jubilees (6:34-38), YAHUAH warned Noah that 'ALL the children of Yashar'el will forget and will not find the path of the years, and will forget the new months, and seasons, and sabbaths and they will wrongly determine all the order of the years.'

This is why you'll easily find various days and dates for the Passover and other commands practiced among Hebrews, and of course, the Revelation 2:9 & 3:9 Jews. As a result, with historical and scriptural research, we have found that this is the best time for the Passover and Unleavened Bread Celebration.

What is most important is that we first turn from sin (repent). Then we seek YAHUAH for guidance in how He desires we walk with Him. Must remember that Hebrews are still scattered across the Earth. And it won't be until we are all brought under the 'Bond of the Covenant' in the wilderness that as a single house, we will worship YAHUAH in one accord (Ezekiel 20:34-38).

Shalom

"Blow the trumpet at the time of the New Moon (MONTH), at the full moon, on our solemn feast day. For this is a statute for Yashar'EL, A law of the Elohiym of Yaakov."
