

## One-Time / Deep Clean Checklist

Below is a list of what's typically included in a one-time or seasonal deep clean. This can be tailored to your preferences — you're welcome to highlight priorities, request extras, or let us know what to skip.

### General Areas (Living Room, Bedrooms, Hallways)

- Dusting/sanitizing/scrubbing of all surfaces (including baseboards, trim, ledges, light switches, light fixtures, vents, etc.)
- Spot cleaning glass, doors, door frames, and walls
- Interior window sills
- Vacuuming and mopping floors
- Cobweb removal
- Floors and baseboards inside closet spaces

### Kitchen

- All cupboard faces
- Handles and hardware
- Countertops & walls (e.g., sides of island) wiped
- Backsplash cleaned
- Sinks and faucets cleaned
- Exterior of appliances (fridge, oven, range hood, dishwasher, including filters under stove top fan)
- Inside microwave
- Optional: Inside of all appliances (fridge, oven, dishwasher, etc.)

### Bathrooms

- Scrub and sanitize shower/tub, including detailing grout & glass
- Deep clean of sinks and faucets
- Toilet (inside, outside, behind)
- Mirrors (including tops) and backsplash
- Fronts of vanities and drawers
- Baseboards and floors
- Walls where there may be water marks
- Wipe down of reachable vents/fans

### Extras (if time allows or requested instead of other tasks)

- Laundry
- Inside cupboards/drawers to remove hair, dust, crumbs
- Full clean of interior glass
- Inside window tracks

We operate Monday through Saturday, 9:00 a.m. – 5:00 p.m., and scheduling is based on the availability of our teams.
