How we use information about your organisation

If you join NAVCA we will use the information you supply to set up an entry on our database. Contact information will also be made public through our online directory.

The Application Process

As a membership organisation, NAVCA is committed to delivering a transparent and diligent membership process in order to ensure that all NAVCA members are defined by their role as local sector support and development organisations, committed to supporting local charities and voluntary groups across the country, helping them to thrive and deliver essential services within their communities.

Once NAVCA has received a completed application form, you will receive acknowledgement of receipt of your completed form, as well as notice of the date by which you should expect to receive a substantive response. NAVCA’s Membership team will review your application, to ensure that your organisation fits the NAVCA Membership criteria in terms of the core services you provide.

If your organisation does not fit the criteria, you will be contacted with an explanation as to why your application has not been accepted, by or before the date given in the acknowledgement of receipt email.

When NAVCA’s Membership team determines that your organisation is eligible for NAVCA Membership (review of Annual Statements, applicant website and social media, available reports from regulatory bodies), the Membership Team will create an invoice for 1/3 of the standard Membership fee (if your income is below £100 000 membership is free) and email a copy to the email address you have provided.

If your organisation is exempt from a fee you will be automatically added to the NAVCA systems – COIN (Chief Officer’s Information Network), Navca Connect and Constant Contact.
mailing list. If you have been invoiced a fee, your details will be added upon receipt of payment.

**Temporary Membership expires 17th July 2020.** You can choose at this point to continue Membership by paying the standard annual fee (where applicable) and providing two references from existing NAVCA Members.
