I make an application for connection to the Water System of the Village of Weldon (Village) for the above property, and in consideration of the furnishing of the service covenants and agree as follows:

1. I agree to abide by all rules and regulations as specified in and by the ordinances of the village now in effect or enacted and passed from time to time providing for the regulation of service furnished by the Village, it is further acknowledged and agreed that the undersigned, his or her heirs, executors, administrators, successors and assigns shall pay all charges for connection fees and water usage which shall become due as the result of the furnishing of water service to the above property, and that all such charges and fees for water service rendered to the property, together with penalties, if any, and the costs of collection are to be considered and become a charge against the property to be enforced in accordance with the ordinances of the village.
2. All bills for the aforesaid charges are payable on or before the due date following the receipt of the bill and if not paid, are subject to a late charge of **\$25.00**. No Village water shall be supplied to any premises upon the application of any person who is in default as to any water bill due the Village, no matter at which premises said default occurred until such person has paid such back water bill in full, including all charges and penalties.
3. The Village shall be under no obligation to furnish water to any premises for which a delinquent water bill remains unpaid, and fifteen (15) days after said bill becomes delinquent shall have full power and authority to enter said premises and turn off, disconnect or otherwith terminate water service, and said water service shall not be resumed until the delinquent water bill and turn-off charge is paid in full. The reconnect charge shall be added to the bill for service to the premises.
4. SERVICE DEPOSIT: **\$100.00 if owner, \$150.00 if renter**, is enclosed herewith, payable to the Village of Weldon Water Fund. This deposit will be refunded (less any outstanding fees) when water service is terminated.
