MASTER MIND GROUP

DETAILS

- The mastermind group holds bi-weekly remote meetings via Zoom, with each meeting lasting up to one hour.
- During the first meeting, the instructor will cover topics deemed beneficial to the group based on its specific focus.
- The second meeting will be an open forum, allowing clients to ask any questions they have.
- It is important to note that the consultant leading the group is not an attorney and cannot provide legal advice.
- To join the mastermind group, there is an initial registration fee of $250, payable upon registration, as well as an annual renewal fee.
- Access to the monthly meetings is available for a subscription fee of $30 per month.
- The mastermind group operates on a month-to-month basis with an auto-renewal feature.
- Upon joining, clients are required to sign a 30-day contract that outlines the terms and conditions of participation.
- The contract ensures a commitment from both the client and the mastermind group for the initial 30-day period.
- At the end of the 30-day contract, the membership will automatically renew on a monthly basis unless the client chooses to cancel.
- This allows for flexibility and ensures continuity in accessing the benefits and resources provided by the mastermind group.
- Clients have the option to cancel their membership at any time, provided they give advance notice within the agreed-upon cancellation period, as outlined in the contract.
