Certificate Program Policies and Procedures

Licensure

This school is licensed under Chapter 28C.10 RCW through the Workforce Training and Education Coordinating Board for the state of Washington.

Accreditation/Registry

Part of our long-term vision is to offer a master's degree program that supports our mission statement. LIOS is in the process of submitting an application with the Washington Student Achievement Council for authorization to offer a master's degree program in Applied Behavioral Sciences. Currently, we are planning to offer this degree program in 2023.

Educational Credential

Upon completion of the program, students will be awarded a certificate in the Leadership Institute of Seattle Applied Behavioral Sciences Certificate Program. Students will need to meet all financial responsibilities before a Certificate of Completion will be issued.

Attendance Requirements

The Leadership Institute of Seattle records the attendance for each module of each student. Records are available for student review. Absenteeism for more than 20 percent of the total program constitutes cause for dismissal. A student who has greater than 20 percent absences will have his or her case reviewed by the school director to determine next steps. Any known conflicts that may prevent a student from attending all or part of a module should be immediately communicated to the school so reasonable accommodations/plans can be put in place.

Make-up Work

Lessons and/or assignments missed due to absences must be made-up before the start of the next program module. Students should meet with their instructors to get missed assignments. Make-up work may be required to complete the academic requirements of the program. Without completing all assignments, the school may withhold the final certificate until the assignments are completed.

Withdrawing from School

Students must prepare a written notification and submit it to the school director. This document must contain the student's name, address, and date. All financial obligations on the part of the school and the student will be calculated using the last recorded date of attendance.

Religious Accommodation

The Leadership Institute of Seattle will make good faith efforts to provide reasonable religious accommodations to students who have sincerely held religious practices or beliefs that conflict with a scheduled course/program requirement. Students requesting a religious accommodation should make the request, in writing, directly to their instructor with as much advance notice as possible. Being absent from class or other educational responsibilities does not excuse students from keeping up with any information shared or expectations set during the missed class. Students are responsible for obtaining materials and information provided during any class missed. Students shall work with the instructor to determine a schedule for making up missed work.

Examples of religious accommodations may include: rescheduling of an exam or giving a make-up exam for the student in question; altering the time of a student's presentation; allowing extra-credit assignments to substitute for missed class work or arranging for an increased flexibility in assignment due dates; and releasing a graduate assistant from teaching or research responsibilities on a given day.

Code of Conduct

The following conduct is unacceptable and will not be tolerated:

1. All forms of bias including race, religion, ethnicity, gender, disability, national origin, veteran status, and creed as demonstrated through verbal and/or written communication and/or physical acts.

2. Missing more than 20 percent of instruction time.
3. Not maintaining the minimum student evaluation rating.
4. Not meeting financial responsibilities to the school.

The school director will notify the student in writing should it become necessary to dismiss the student. The dismissal letter will contain the date and the reason for dismissal. Prepaid tuition will be refunded according to the school's refund policy. The student may, at any time and for any reason, contact the Workforce Board at 360-709-4600 with a concern or complaint.

Re-entry Policy

Students dismissed from the school who request re-entry must put the request in writing to the school director. In cases where the student was dismissed for excessive absences (greater than 20 percent) or financial concerns, it may be possible to re-enter within the same school term. In cases where the student was dismissed due to failure to maintain the minimum grade point average, it may be possible for the student to receive private tutoring and then reenter the school. In cases where the student was dismissed due to unacceptable conduct, the student may have to meet with the director before re-entering the school. The decision of the director is final and the student will receive a letter within five business days stating the decision.
