

BELOW IS AN EXTRACT FROM AN EMAIL
FROM WHITSUNDAY REGIONAL COUNCIL
DATED 21ST APRIL 2023

“You questioned the report provided on the 6th of February, that you claim to be dated 9 February. **For clarification,** 1 the mayor was provided with the draft version of the report on the 6th of February, then 2 a meeting occurred between the Mayor and PKF to discuss the findings. Following the 3 meeting the final report was provided to the mayor on the 9th of February, dated 9th of February.”

1 THERE WAS NO DRAFT REPORT PROVIDED TO THE MAYOR ON THE 6TH FEBRUARY

2 THERE WAS NO MEETING BETWEEN THE MAYOR AND PKF BETWEEN THE 6TH AND 9TH FEBRUARY

3 THERE WAS NO FINAL REPORT ISSUED TO THE MAYOR ON THE 9TH FEBRUARY AND TO THIS DAY THERE IS NO REPORT DATED THE 9TH OF FEBRUARY IN EXISTENCE DESPITE BEING QUOTED ON TWO SEPARATE COUNCIL AGENDAS

Given that not a single part of the statement above is true the questions are not only, did they lie? But why did they lie?

Covering up for a councillor who also lied?
