Bench, Table and Counter Tops

Planning a new kitchen or work area? Are you looking for an attractive, durable and affordable working surface? Our new edge grain work bench, table tops and counter tops are just what you're looking for. We build every top on site, with the edge grain of the board being the surface. The edge grain is highly durable to withstand hard hits and everyday wear. All tops are 100% hardwood. Tops listed below are 25" wide. Please contact us for custom dimensions.
