Finished Lumber Products

Interior Paneling

Ship Lap: Basic ship lap joint with a tight fit. Easiest for installing on walls. 4 side planed to 3/4" thick. Good for interior and exterior projects.
Tongue and Groove: Basic tongue and groove joint with a tight fit. Best for flooring or applications needing a tight, solid fit. 4 side planed to 3/4" thick. Good for interior and exterior projects.
Round and V-Groove: Visual effects on board edges to appear either rounded, or V'ed. Can be used with either tongue and groove or ship lap.
Lengths range from 8-12'. Longer lengths of 13'-16' available upon request for an additional fee.

Pricing per Square Foot (RANDOM WIDTH)

Species	Bead Board with Tongue and Groove	Ship Lap	Tongue & Groove/Rounded or V-Groove	Consistent Width
White Pine	2.10	2.10	2.10	2.40
Ash	3.10	3.10	3.10	3.35
Cherry	3.65	3.65	3.65	3.90
Wormy Soft Maple	3.50	3.50	3.50	3.90

Flooring

All flooring boards are tongue and grooved with back relief. Each piece is inspected for compromising defects and stability. Standard surface widths are on the inch between 3 to 5 inch. Wide surface widths are on the inch between 6 to 10 inch. Heritage flooring combines both the standard widths and wide plank. Lengths range from 2' to 12' long. Includes back relief. Longer lengths of 13'-16' available upon request for an additional fee.

Holland Timber Company

Lumber and Millwork

We offer 4 grades of Adirondack White Pine flooring;

Clean - No markings from the circle saw

Light Saw - Deeper saw marks remain from the circle saw, 90% of the flooring face is clean of saw marks

Medium Saw - Circle saw marks are more prevalent along the edges, or down the center of the board, 50% of the face shows the saw marks

Heavy Saw - Full rustic look with 100% of the surface covered in saw marks.

Adirondack White Pine Flooring - Pricing per Square Foot				
Face Widths	Clean	Light Saw	Medium Saw	Heavy Saw
Random (4" - 9.25")	2.10	2.70	2.70	2.70
5.25"	2.50	3.10	3.10	3.10
7.25"	2.60	3.20	3.20	3.20
9.25"	2.70	3.30	3.30	3.30

Mouldings and Trim

Mouldings and additional trim work touches can make a home "your" home, in addition to providing a greater home value. Our mouldings are custom tailored to match your vision and life style. Mouldings can be made from Hard Maple, Soft Maple, Ash, Cherry, White Pine, Red Oak, or White Oak.

Mouldings Priced by Linear Foot

Crown Moulding	\$2.50 / Linear Foot	Custom Shutters:	Starting at \$75 per pair
Colonial Base Board	*Pricing dependent on width	*Please contact us for built up mouldings and casings	
Bead Board	*Pricing dependent on width		
Single Casing Profile	0.85		

CNC Mouldings

All pricing based per 16" of carving surface. An 8 foot moulding piece has 5 carving surfaces, if the entire surfaces gets carved. Pieces where only part of the moulding is carved, add the below tier price to the cost of the moulding. For example, if you wish to carve the center of a door casing with a bead board, add the cost of the bead board door casing and a single carve cost based on the tier from below.

Tier 1 Pricing:	\$10
Tier 2 Pricing:	\$20
Tier 3 Pricing:	\$30

Siding Products

Sidings range from traditional board and batten, rustic log cabin, to historical bead-board siding. Along with siding, shutters can be custom made to properly fit your windows and provide value, adding curb appeal to any home.

Siding - Pricing per Square Foot

Board and Batten -		
White Pine	0.85 *Call for qty pricing*	Custom Shutters: Starting at \$75 per pair
Log Cabin Siding:	2.67 (1.50/ Linear Foot)	

Bench, Table and Counter Tops

Planning a new kitchen or work area? Are you looking for an attractive, durable and affordable working surface? Our edge grain and flat grain work bench, table tops and counter tops are just what you're looking for. We build every top on site. Edge grain is highly durable to withstand hard hits and everyday wear while flat grain provides a classic, elegant and fine furniture appearance. Please contact us for pricing on surface types, wood species, and dimensions.

Holland Timber Company Lumber and Millwork

Unfinished Lumber Products

Unfinished Lumber is **Kiln Dried**, rough with no surfacing. Hardwood is random width ranging between 4" to 15". Lengths range from 8' to 14' long. **S4S includes straight lining, then planing all 4 sides. Skip planing is planing the lumber to 7/8" thick, may leave some rough patches on the top or bottom. Edges will still be rough.** Please contact us for pricing on orders over 500BF for grades not listed below. 8/4 lumber is also available upon request with a minimum 500BF purchase.
