The Case Manager will complete the CDDO Discharge Checklist and submit the completed Discharge Packet to the CDDO Coordinator.
- 3) Within five (5) business days of transfer, the CDDO Coordinator will send a case transfer notification to the CDDO in the new area. The receiving CDDO will sign the form and route it to the outgoing CDDO. Notification of the move to the MCO assigned to the person served will be made by the CDDO. The CDDO shall send a 3161 form to the HCBS Clearinghouse indicating the move, via secure email, and shall copy the TCM, the receiving CDDO staff, and the MCO Care Coordinator on the secure email.
