PRESCRIBER SIGNATURE: x

Date (Valid for 1 year):

By affixing my signature, I confirm the medical necessity of the aforementioned therapy, products, and services, as well as my responsibility for the patient's care. I have obtained consent to disclose the mentioned details and any relevant medical or patient information concerning this treatment. I grant the pharmacy permission to contact the insurance company on my behalf to secure authorization for the patient.

Please include the following

Patient demographics Insurance attached Diagnosis(supporting) History & Physical
Lab Results Clinical progress notes Medication list Other Test Results
CBC w/diff, LFTs, Lipid Panel (attach results) Hep B surface antigen results
TB screening test within 12 months - attach results

If TB results are positive - please provide documentation of treatment or medical clearance, and a negative CXR

We can do patient teaching for IV/IM/SQ injections if needed. One time or multiple visits. If insurance allows we can also administer SQ/IM shot
