

SUMMER FUN

Encourage your child's development through engaging, hands-on learning activities designed to foster their passion and skills in language, science, mathematics, and music. Our Summer Program offers one-week sessions from **Monday to Friday, 8:30 AM to 12:30 PM**. Each session of our summer program is crafted to provide a fun and educational environment, beginning **June 8th and running through August 14th**. Join us for an enriching summer experience that combines learning with enjoyment, helping your child build confidence and curiosity across multiple disciplines.

For many parents, summer programs serve as an excellent opportunity for children to gain an initial familiarity with their upcoming school environment before the academic year commences in the fall. These programs enable children to engage with a variety of stimulating themes and activities, fostering both learning and exploration. Additionally, summer sessions provide a valuable review of essential academic skills, helping students reinforce their knowledge and build confidence for the challenges ahead. Such programs not only ease the transition into a new school but also promote a positive attitude towards learning, making the start of the school year smoother and more enjoyable for both children and parents.

Session 1 June 8-12 Commotion in the Ocean (Ocean Animals)

Session 2 June 15-19 Everyday Heros (Community Helpers)

Session 3 June 22-26 Disney/Pixar (Our favorite Disney/Pixar characters)

Session 4 June 29-July 3 Superheroes and Villains

Session 5 July 6-10 Bugs and Butterflies

Session 6 July 13-17 Magical Creatures

Session 7 July 20-24 Artistic Exploration

Session 8 July 27-31 Barnyard Bonanza

Session 9 Aug. 3-7 Mad Science

Session 10 Aug. 10-14 Disney/Pixar (Our favorite Disney/Pixar characters)

This summer promises an exciting array of activities designed to ensure fun and engagement. Participants will enjoy refreshing water play along with a variety of indoor and outdoor activities providing a balanced mix of education, entertainment and physical activity. Children can explore a range of preschool equipment, such as Jump Balls, Potato Sack Races, and obstacle courses, which promote coordination, teamwork, and active play. These activities are carefully organized to foster social interaction, develop motor skills, and ensure a safe, enjoyable experience for all participants. Whether indoors or outdoors, the summer schedule is packed with opportunities for children to learn, play, and create lasting memories in a vibrant, supportive environment.
