

Summer Camp

Immerse your child in hands-on learning experiences that will enhance their love and abilities in language, science, math, and music. Summer Camp sessions are **Monday through Friday 8:30-12:30** for **one-week** sessions throughout the summer. Our fun filled educational summer program will begin **June 13th** through **Aug. 12th**.

For some of our parents, summer program gives their child an "introduction" to their new school before they begin the school year in the fall. The children will learn and explore many exciting themes, while reviewing the academics they will need to remember during the coming school year.

Please circle which sessions you wish to enroll in.
